Parking Instructions

You cannot park on Terminal Street/Way. There is a Visitors Parking lot directly off East Carson Street (actually on the side walk). Depending on which direction you are traveling (from St. Square, turn left; from 10th St. Bridge, turn right) park in the lot that is directly next/below the billboards. There is a sign but is not very read-able that says "Visitor's Parking". Park car & walk 1/2 block (towards Station Square) & turn right onto Terminal Street/Way. If you have parked behind a car in lot, must sign in at the Guard Station noting what kind of car and that you are visiting WIN and if you have a cell phone, please give that number. You may have to move your car if the person you are parked behind leaves before you do. (**The other side of the lot is private parking for a business and unauthorized cars will be towed at owner's expense). If the Visitor's Lot is full, drive up Terminal Street/Way and stop at Guard Station (on the right side before little bridge). He will direct you where to park.
